

CALL FOR PAPERS

13th Islamic Countries Conference on Statistical Sciences (ICCS-13)

Conference Theme: Statistics for Better Life

on

December 18-21, 2014

at

IPB CONVENTION CENTER

Bogor, Indonesia

Jointly organized by:

Islamic Countries Society of Statistical Sciences

44-A, Civic Centre, Sabzazar, Multan Road, Lahore, Pakistan.

IPB Bogor Agricultural University

The vision of Bogor Agricultural University (IPB) is to become a leading research-based university in the world with the major competence in tropical agriculture, biosciences, and possessing entrepreneurial characteristics.

In accordance with Regulation No. 154/2000, IPB's organization consists of Board of Trustees, Academic Senate, Board of Auditors, Rector, Vice Rectors, Deans, Vice Deans, Heads of Institution, Institution Secretary, Directors and Head of the Sub-directorates. In addition, IPB also has a library director and heads of other supporting elements, namely laboratories, workshops, studios, information centers, experiment gardens and security units and other necessary forms. IPB also has commercial business units whose leaders are appointed and dismissed by as well as responsible to Rector.

In accordance with Decree No. 55/MWA-IPB/2007, IPB also has Board of Professors, Executive Secretary, Treasurer, Offices, and the Diploma Programs. Based on the considerations according to the existing law, the result of organizational studies, benchmarking, and discussions with the faculty and department leaders of IPB, the organizational structure of IPB was established through the decision of MWA Number 77/MWA-IPB/2008 on February 1, 2008.

In the organization, administrative activities are centralized to the central office, while academic activities (education, research and community service) are decentralized to the Departments and Research Centers. The Departments and Centers become the spearhead in the Tridharma (three main responsibilities) of IPB. Business activities are professionally managed in a common mechanism in limited companies. However, the departments and centers are encouraged to generate income through the auxiliary enterprise activities in accordance with their competence and expertise.

Vision

"To become a leading research-based university in the world with the major competence in tropical agriculture, biosciences, and possessing entrepreneurial characteristics"

Mission

1. Conducting high quality higher education and comprehensive supervision of students for the purpose of promoting the nation's competitiveness.
2. Developing science and technology based on the current needs of the communities and the future trends.
3. Building a system of higher education management having the characteristics of entrepreneurship, effectiveness, efficiency, transparency and accountability.
4. Promoting the formation of civil society on the basis of truth and human rights.

Islamic Countries Society of Statistical Sciences (ISOSS)

The Islamic Countries Society of Statistical Sciences (ISOSS) was established during the First Islamic Countries Conference on Statistical Sciences (ICCS-I) held at Lahore on August 27-31, 1988 with the following main objectives:

- bring together research workers and practitioners in statistical sciences from all over the world and in particulars from Islamic Countries through mutual exchange program,
- highlight the contributions of Muslim scholars to the development of statistical sciences.
- organize and strengthen a central information system by establishing data banks and centres of information,
- associate statistically developed countries to help in developing and transferring of statistical technology to Islamic Countries.
- promote the application of statistical sciences including computer and information technology in the development of Islamic Countries.
- promote the use of computer technology, robotics and artificial intelligence in Islamic Countries.
- establish training centres to promote statistical education.
- coordinate and unify courses in statistics at all levels of education in the Islamic Countries.
- organize conferences, seminars, colloquia, workshops, short courses, and any other means of communication helpful in exchanging scientific ideas.

Since the establishment ISOSS has been regularly organizing biennial conferences in collaboration with educational institutions/universities in various Islamic Countries:

- The First, Fourth, Sixth, Seventh, Eighth and Eleventh Islamic Countries Conferences on Statistical Sciences were held in 1988, 1994, 1999, 2001, 2005 and 2011 at Lahore (Pakistan).
- The Second and Ninth were held in 1990 and 2007 at Johor Bahru and Shah Alam (Malaysia) in collaboration with the Universiti Teknologi Malaysia, Johor Bahru, and Malaysian Institute of Statistics, Malaysia.
- The Third was held in 1992 at Rabat (Morocco).
- The Fifth Conference was arranged in 1996 at Malang (Indonesia) in collaboration with the Brawijaya University, Malang, Indonesia. On this occasion, an International Workshop on “Recent Development in Applied Statistics” was held on August 21-23, 1996 at Brawijaya University, Malang, Indonesia to honour Prof. Dr. Munir Ahmad, President ISOSS for his contribution to statistical sciences.
- The Tenth Conference was held in 2009 at American University in Cairo (AUC), Cairo, Egypt.
- The Twelfth Conference was organized in 2012 at Doha (Qatar) in collaboration with Department of Mathematics, Statistics and Physics, Qatar University.

CONFERENCE TOPICS

We hope to collect papers on research issues on all aspects of statistical sciences, including:

- statistical theory,
- probability models,
- stochastic process,
- statistical inference,
- survival analysis,
- biostatistics,
- bioinformatics,
- epidemiology,
- reliability theory,
- quality control,
- sampling,
- statistical computing,
- bayesian analysis,
- time series,
- econometrics,
- statistical demography,
- statistical education,
- financial mathematics,
- actuarial science,
- environmental statistics,
- economic statistics,
- official statistics,
- multivariate analysis,
- spatial analysis,
- directional data analysis,
- small area estimation,
- experimental design and others

EXPECTED INVITED AND KEYNOTE SPEAKERS

1. Dr. Ali S. Hadi, Egypt/USA
2. Dr. Shahjahan Khan, Australia
3. Dr. Munir Ahmad, Pakistan
4. Dr. Asep Saefuddin, Indonesia
5. Dr. A. El-Shaarawi, Canada/Egypt
6. Dr. Maman Djauhari, Malaysia
7. Dr. Salut Muhidin, Australia
8. Dr. Peter Goos, Belgium
9. Dr. Ray Chambers, Australia
10. Dr. Khairil A. Notodiputro, Indonesia
11. Dr. Shigehiko Kanaya, Japan

SUBMISSION OF ABSTRACTS

An Abstract of no more than 500 words should be submitted via e-mail/or airmail. Questions or queries may be sent to Dr. Munir Ahmad, Chairman of the International Scientific Committee.

Action	Deadline
Submission of Abstracts (extended)	October 20, 2014
Notification of Paper Acceptance	October 30, 2014
Submission of full-length paper	November 15, 2014
Publication of Proceedings	December 15, 2014

Abstracts and full length papers size 5" x 7.5" (width x height) with "Time New Roman" Font size 10 may be submitted via e-mail by using Microsoft Word software to Conference Secretariat:

SUBMISSION OF FULL LENGTH PAPER

Instructions to Authors

1. Manuscripts should be single-spaced size 5" x 7.5" (width x height) with "Time New Roman" Font size 10. The paper should be divided into sections, numbered by Arabic numerals and with suitable short verbal titles. Pages should be lightly numbered at the bottom. Running titles should be given.
2. An abstract of around 500 words should be included, as well as between five and eight keywords.
3. Paragraphs should be indented five spaces.
4. The name and full postal address of each author should be given immediately below the title of the paper along with e-mail.
5. Equations should be centered, with identifying numbers in parentheses.
6. Tables should be inserted in the text as close to the point of reference as possible.
7. Figures and tables should be numbered consecutively.
8. References should be indicated in the text by author's name(s) and the year of publication in parentheses. All references should also be arranged alphabetically at the end of the paper.

The full length paper should not exceed 20 pages.

21.12.2014	<ul style="list-style-type: none">▪ Technical Sessions▪ Business Session▪ Closing Ceremony

Detailed program will be released in November, 2014

The 13th Islamic Countries Conference on Statistical Sciences (ICCS-13)

Conference Theme: Statistics for Better Life

on
December 18-21, 2014

at
IPB Convention Center, Bogor, Indonesia

REGISTRATION FORM

Full Name	
Designation	
Organization	
Address:	
Tel/Fax:	
Email:	

Do you intend to submit a paper? Yes No

Title(s) of Paper	

• Deadlines:

Submission of Abstract (Extended)	October 20, 2014
Notification of Acceptance (Extended)	October 30, 2014
Submission of full-length paper	November 15, 2014
Registration	November 29, 2014
Publication of Proceedings	December 15, 2014

• The registration fees:

Foreign Delegates of Developed Countries*	US\$ 400/-
Foreign Delegates of Low Income Countries ^{#*}	US\$ 250/-
Domestic Delegates	US\$ 150/-
Accompanying Persons (Per Head)	US\$ 150/-

*ISOSS Registered Members and Students get 50% discount.

[#]List of Low Income Countries is found at ICCS-13 website.

- Registration fee includes conference materials, teas/lunches, transportation between accommodation and conference venue, a tour through Bogor, Indonesia.
- Registration fee payable to Bogor Agricultural University.

Please send the filled form along with Registration Fee to:

Dr. Asep Saefuddin,

Professor at the Dept. Statistika FMIPA IPB, Rector Universitas Trilogi,
Jakarta – Indonesia. Email: asaefuddin@gmail.com
